

 **Think Wireless** 

A black, rectangular wireless router is shown from a top-down perspective, resting on a light-colored wooden surface. The router has a matte finish and a small, dark, rectangular tab protruding from the bottom center. The 'Think Wireless' logo is printed in a light blue or silver color on the top surface. The logo consists of a lightbulb icon above the word 'Think', followed by the word 'Wireless' with a wireless signal icon above it. The router is positioned slightly to the left of the center of the frame.
